

SMEAL FIRE APPARATUS

CUSTOM SOLUTIONS TO FIT ANY BUDGET!

***Aldie Volunteer Fire Dept.
Aldie, Virginia***

The **ALDIE VOLUNTEER FIRE DEPARTMENT** provides fire and first-responder emergency medical services in the southern portion of Loudoun County, Virginia. While this area is now primarily rural, it is experiencing a turn toward increased development.

When faced with the need to consolidate and replace two aging pieces of fire apparatus, they chose **SMEAL FIRE APPARATUS** to design a custom pumper-tanker combination that will fully meet the current and future demands of their service area.

If your department is looking to purchase a pumper, pumper-tanker combination, or an aerial ladder or tower, why not see what **SMEAL** can do for you!

Contact us for more information on this and all of the quality line of **SMEAL FIRE APPARATUS**.
